

Banning Animal Shelter

Kingsford

Hello, my name is Kingsford, I am a three month old, neutered male, Black Tabby. A great Animal Control Officer rescued me from a fire and I was brought to the shelter where I was then fostered until I was old enough for adoption. My foster parent had three big dogs that I got to grow up with, so I get along great with not only cats, but dogs too! I am a very playful kitten with a very outgoing personality. If you're looking for a happy little cat like me, come on down to the Banning Animal Shelter and ask for Kingsford! My animal ID is A741689. I hope to see you soon!!
