JANUARY VOLUNTEERS OF THE MONTH

Mary Anderson

Riverside Volunteer

Mary Anderson has been a volunteer with our department for twelve years and has accumulated 3,740 hours of service, what a feat. You could always find Mary at the Kiosk helping customers with a smile no matter the job. She helped the public with adoptions, licensing pets, lost animals and much more! This is just a small example of the things Mary would do for our community. During the Pandemic, Mary has graciously been volunteering at home doing clerical work for our fiscal department. She is also helping as a Community Ambassador reposting all of the adoptable and rescue animals. That doesn't even take the cake! Between managing all of that she also takes the time to foster numerous litters of kittens that are sick or underage. She is very caring, dedicated, knowledgeable, and responsible! Thank you, Mary, for your endless helpful acts and service to the Department of Animal Services.

Heather Anderson

Heather Anderson

CVAC Volunteer

Heather Anderson has been a volunteer for 3 months and in that short amount of time she has showcased her profession in Graphic Design. She has done so by creating numerous newsletters and flyers which include our weekly and monthly volunteer newsletter, the wildlife flyers for our website, our donation campaign flyer, and many more. She is such an asset to our department. Even with Covid amiss she has been able to utilize her skills from home with her graphic design programs which helps us to maintain the utmost professionalism and creativity our shelter needs. Thank you, Heather, not only for being a huge asset to our department, but we look forward to seeing your talents shine in the future months to come.

RIVERSIDE

VOLUNTEER CHOICE

EMPLOYEE OF THE MONTH

Sandra Solis - This quarter our volunteers have chosen to award Sandra Solis with the title of Employee of the Quarter. Sandra has without a doubt earned this title through her hard work and dedication she has shown to the volunteers and shelter every day. Her daily activity and interactions with our volunteers, staff, and public are so positive, inviting, and respectful. She is willing to train any volunteer that is eager to help by showing them how to clean the cattery, to help customers with cat adoptions, and she also teaches them how to socialize our cats and kittens. Our cat volunteer team is one of the best because Sandra shows each individual volunteer that she cares for people and animals.

FOSTER

OF THE MONTH

Marie & Tim Weller - Marie and Tim Weller have been a foster for our department for at least 8 years – They have fostered multiple underage kittens, sick kittens, nursing mothers with kittens and have saved multiple lives that have gone onto nurturing forever homes. We want to thank and honor them for their hard work and dedication to our Mission of Saving Lives.
